Form: Liquid

Boiling point/range: No data available

Melting point/range: No data available  
Flash point: No data available  
Auto ignition temperature: No data available  
Oxidizing properties: No information available

## 10. Stability and reactivity

Stability: Stable  
Materials to avoid: No information available  
Hazardous decomposition products: No information available  
Polymerization: Hazardous polymerization does not occur.

## 11. Toxicological information

Acute toxicity principle routes of exposure/ potential health effects

Eye: No information available  
Skin: No information available  
Inhalation: No information available  
Ingestion: No information available

Specific effects

Carcinogenic effects: No information available  
Mutagenic effects: No information available  
Reproductive toxicity: No information available  
Sensitization: No information available

## 12. Ecological information

Ecotoxicity effects: No information available  
Mobility in soil: This product is soluble in water.  
Biodegradation: No information available  
Bioaccumulation: No information available

## 13. Disposal considerations

Dispose of with a large amount of water.

## 14. Transport information

Proper shipping name: No information available  
Hazard class: No information available  
Packing group: No information available  
UN-No: No information available
